Pro Life Corner: There is substantial medical evidence that babies in the womb feel pain at a very early stage of gestation. Thanks to advances in medicine, babies as young as 20 weeks post-fertilization can survive and thrive with appropriate care and treatment. Experts in the field of Maternal-Fetal medicine routinely administer pain medication as standard medical practice when performing fetal surgery because they recognize these babies as patients. The NJ Pain Capable Unborn Child Protection Act (A3452/S2026) will protect babies in the womb at 20 weeks and older who are capable of feeling pain and ensure that babies born alive during an abortion will be given the same proper lifesaving medical care given to premature infants. We are happy to report that A3452/S2026, the NJ Pain Capable Unborn Child Protection Act has been introduced in the New Jersey Legislature. We thank the sponsors of this bill for wanting to protect babies in the womb and the lives of women. The bill is modeled after H.R. 36, the Federal bill by the same name. Passing this legislation is part of the 2020 Project, a collaborative effort by pro-life groups in New Jersey to protect babies in the womb who are capable of feeling pain at 20 weeks gestation. TAKE ACTION NOW!

● Pray for the protection of babies in the womb & their families
● Contact your NJ State Senator and Assembly Members and ask them to support A3452/S2026 which is the “Pain Capable Unborn Child Protection Act.”

IS GOD HIDING?
In today’s Gospel, Jesus describes the Kingdom of God. We read the papers and see the news on TV and experience in our own lives the effects of evil. Where is the kingdom? If you know someone who wonders “where is God”, invite them to our Inquiry Session, held weekly. Participation in a session does not require a commitment to belong to the Catholic Faith Family. Anyone who is unbaptized, baptized into a non-Catholic Christian denomination, or baptized Catholic but never received First Eucharist and Confirmation, is invited to come and inquire about God, Jesus, the Catholic Church and issues of faith. For more information call RCIA – 732-562-1990 x 1633.

—Wisdom 12:19

The kingdom of heaven is like
a farmer who sowed good seed

GOOD SEEDS

Today Jesus continues to speak to His followers using parables. What a rich treasure we are given today in three parables about the kingdom of heaven! The kingdom is likened to a man sowing good seed in his field, a mustard seed, and yeast mixed with flour. As they did last week, today the disciples press Jesus for an interpretation of one of the parables - - the parable of the man sowing good seed. Lest we think that these parables are simply amusing little anecdotes, Jesus' interpretation should be seen for what it is - - a warning. Wailing and grinding of teeth in a fiery furnace await those who are children of the evil one. This parable points to the struggle for today's believer. Sometimes, through sin, we sow weeds and prevent the love of Christ from blossoming. Let today's Gospel help put us back on track. Let us recommit ourselves to prepare for the last days, the harvest, by blossoming as the good seeds we were created in love to be.

THE MERCY, POWER, AND LOVE OF GOD

The first reading today, from the book of Wisdom, makes its point over and over, at least five times in five verses! God is mighty, but lenient to all. God's power is shown in kindness and clemency, not in harshness and condemnation, and those who govern God's people must govern in the same way, with kindness. This loving kindness and gentleness is not contrary to God's might, but is a direct result of God's primacy over all. Who are we, then, to judge what is in the hearts of our fellow Christians and all people, when God commands justice with love and clemency?

Likewise, the Holy Spirit makes up for our ignorance of what we need, speaking in a language we do not yet understand. But God knows our needs before we do, understands the intercessions of the Spirit, and helps us in our weakness. This is our hope: God's mercy, power, and love.
Religious Education News

The Religious Education Office has moved. Although it is still in the Parish Center, its location has changed. Please access the Religious Ed Office through the main entrance on Library Place.

Retrovaille - - Ministry to Couples in Troubled Marriages

Thinking about Separation or Divorce? You Can Help Your Marriage. Are you frustrated or angry with each other? Are you bored? Do you argue...or have you just stopped talking to each other? Does talking about it only make it worse? Retrovaille is sponsored by the Family Life Office/Diocese of Metuchen to help couples through difficult times in their marriages. A French word meaning “rediscovery,” Retrovaille helps spouses uncover or re-awaken the love, trust and commitment that brought them together in the first place. It affords the couple the opportunity to examine and strengthen their relationship in a non-threatening faith environment. If your marriage has become unloving and uncaring, or if your relationship has grown cold and distant, if you are thinking of separation or divorce, or if you are already separated or divorced, but (both of you) wish to try again - - then the Retrovaille program may help you. It consists of a weekend experience, Friday night to Sunday afternoon, for couples (no group discussions) and six follow-up sessions. During the weekend, presentations are made by three married couples and a priest. Techniques of communication that enable a couple to examine their relationship are presented. All inquiries are confidential. Phone the Diocesan Family Life Office (732-243-4573) or Tom & Pat McTague (evenings - 732-583-4468) or Rich & Annette Colasuonno (732-236-0671). Next Session: September 15 - 17, 2017.
